

Compliance action taken for childcare provision

Ref: 2756931/6123079

Date: 17 September 2025

Summary of outcome

Outcome summary: Hannah Farrow

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 August 2025, we received concerns that the provider was not meeting requirements relating to staff:child ratios, and the safety and suitability of premises, environment and equipment.

On 13 August 2025, the provider also notified us about the same requirements. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 17 September 2025, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Action needed by 18 September 2025

- ensure that children are adequately supervised at all times to ensure their safety and well-being

Action needed by 1 October 2025

- take steps to identify potential risks to children when on outings and minimise or remove hazards, taking into account the number of children being cared for and their ages.

On 6 October 2025, the provider responded to the actions set. We found that the provider had improved their knowledge and understanding of identifying and minimising risks to children during outings and had put appropriate measures in place to ensure children are adequately supervised at all times. We are satisfied the provider has met the safeguarding and welfare actions raised.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
