

Compliance action taken for childcare provision

Ref: 2758734/6180269

Date: 18 November 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On Monday 13th October 2025, the provider notified us about matters relating to safety and suitability of premises, environment and equipment. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of child leaving the premises without a suitable adult.

On 17th November 2025, we carried out a regulatory telephone call. We found the provider was not meeting one of the requirements and had taken action to put this right. The provider completed a full and thorough investigation. They found that staff were deployed effectively and normal procedures had been followed. The childminder reviewed the risk assessment and strengthened it further to ensure that children could not leave the premises without a suitable adult and that all children remain in the garden area at busy transition times. The provider has taken steps to ensure her assistant had reviewed and understood the risk assessment.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
