

Compliance action taken for childcare provision

Ref: 2759641/5750201

Date: 3 July 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 7 June 2024, the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any event which is likely to affect the suitability of the early year provider to look after children.

On 2 July 2024, we carried out a regulatory telephone call. We found the provider was meeting the requirements. They took immediate action and completed their own internal investigation. They reviewed risk assessments and considered how children are supervised at the nursery. Following this they have added an extra gate and lock, to secure a shared door. Additional tasks such as cleaning do not take place if they impact on the supervision of children. We are satisfied with the steps taken by the provider and took no further action. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
