

Compliance action taken for childcare provision

Ref: 2765479/6393914

Date: 27 May 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 14 May 2026, we received concerns that the provider was not meeting requirements relating to safeguarding policies and procedures, accident or injury and risk assessment.

On 15 May 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 26 May 2026:

improve risk assessments, including the organisation of children being moved around the premises, to ensure that any potential hazards or risks are identified promptly and effective action is taken to ensure children's safety is consistently maintained.

On 26 May 2026, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of risk assessment. They have reviewed staff knowledge of risk, so that action is taken to ensure children's safety, including when moving around the premises. We are satisfied the provider has met the safeguarding and welfare actions raised.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
