

Compliance action taken for childcare provision

Ref: 2771330/5782090

Date: 26 July 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 July 2024, the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted. On 22 July 2024, we carried out a regulatory phone call. We found the provider was not meeting some of the other requirements. We have issued an actions letter. This requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed by 26 July 2024:

- improve knowledge and understanding of Local Safeguarding Children Partnership procedures including how to manage an allegation
- improve knowledge and understanding of the requirements for complaints and devise a clear procedure to follow.

On 30 July 2024, we carried out an inspection. We found the provider had met the two actions set. They had improved their knowledge and understanding of the procedures to manage an allegation and had devised a clear procedure to manage complaints. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
