

Compliance action taken for childcare provision

Ref: 2772055/6168629

Date: 29 October 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage (EYFS), which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 6 October, the provider notified us about matters relating to Staff: child ratios and meeting the needs of individual children. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any breaches to the EYFS requirements.

On 28 October 2025 we carried out a regulatory visit. We found the provider was not meeting the requirement for meeting children's needs, in particular the personal care of children when attending the forest school area and had taken action to put this right. Changes to the nappy changing policy make clear staff's responsibilities regarding regular nappy changing and checks. Staff have undergone refresher training on children's personal care routines.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
