

## **Complaint about childcare provision**

Ref: 2779213/5770179

Date: 10 July 2024

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 July 2024, we received concerns that the provider was not meeting some of these requirements.

On 3 July 2024, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has completed a review of the health and safety policy and improvements have been implemented. In addition, training has been provided for staff to ensure that identified aspects of the environment are checked regularly and form part of an effective risk assessment.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.
