

Compliance action taken for childcare provision

Ref: 2784445/6292562

Date: 18 March 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 03 February 2026, we received concerns that the provider was not meeting some of these requirements relating to safety and suitability of premises, environment and equipment and Information and record keeping. On 4 March 2026, the provider notified us about safety and suitability of premises, environment and equipment. However, the notification was outside of required timeframes. We are satisfied the provider fully understands their responsibility to ensure all notification are received in a timely manner in the future.

On 17 March 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has taken steps to ensure that staff fully understand the policies and procedures in place, with particular regard to nappy changing processes. In addition, the provider has improved arrangements in place to ensure children are always supervised to ensure their safety. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
