

Compliance action taken for childcare provision

Ref: 2786687/6337775

Date: 21 April 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 19 March 2026, we received concerns that the provider was not meeting requirements relating to accident or injury, staff:child ratios, sleeping arrangements and risk assessment. Additionally, on 24 March 2026, the provider notified us about matters relating to concerns about children's safety and welfare. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which is likely to affect the suitability of the early years provider to look after children.

On 31 March 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Action needed by 14 April 2026:

• ensure that all staff recognise when to report concerns about a child's safety and welfare, in a timely manner, in line with the local safeguarding partnership procedures.

On 21 April 2026, the provider responded to the action set. We found that the provider had worked with staff to refresh their knowledge and understanding of child protection procedures. This will ensure any concerns regarding children are reported in a timely manner. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the

enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
