

Compliance action taken for childcare provision

Ref: 303700/6123635

Date: 27 August 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 30 July 2025, the provider notified us about matters relating to safety and suitability of premises, environment and equipment. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any serious accident of any child while in their care and of any action taken.

On 22 August 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 02 September 2025

- ensure at least one person who is caring for children has a relevant qualification at a minimum of level 2 or has completed training in the core skills set out in the document 'Common Core of Skills and Knowledge for the Children's workforce'.

On 29 August 2025, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of the relevant qualification requirements of their registration. They will ensure at least one person who is caring for children has a relevant qualification at minimum level 2 or training in the 'Common Core of Skills and Knowledge for the Children's workforce'. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
