

Complaint about childcare provision

Ref: 307137/6284189

Date: 4 March 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 26 January 2026, we received concerns that the provider was not meeting requirements relating to information and record keeping, suitable people, staff:child ratios, safety on outings, risk assessment, information for parents and other legal duties.

On 3 March 2026, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has improved their record keeping and internal communication to provide a more robust system of ensuring Ofsted are informed of the individuals associated with the registration, so that suitability checks can take place.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.
