

Compliance action taken for childcare provision

Ref: 309733/6368988

Date: 8 July 2026

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 April 2026, the provider notified us about matters relating to concerns about children's safety and welfare, supervision of staff, accident or injury, risk assessment and staff: child ratios. The notification means that the provider met their legal responsibility as set out in the 'Statutory framework for the early years foundation stage' to notify Ofsted of a serious injury to any child while in their care.

On 30 June 2026, we carried out a regulatory visit. We found the provider was not meeting one of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 21 July 2026:

- ensure that professional development supports staff to improve their understanding and personal effectiveness of all the requirements in the 'Statutory framework for the early years foundation stage'.

On 10 July 2026, the provider responded to the action set. We found that they met with all staff and secured staff's knowledge of whistleblowing and safeguarding procedures. They have also put in place additional training sessions for other areas of the early years requirements. Furthermore, all staff across both settings will complete a course on the 'Statutory framework for the early years foundation stage' in September 2026. We are satisfied the provider has met the safeguarding and welfare actions raised.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the

enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
