

Compliance action taken for childcare provision

Ref: 310214/6289551

Date: 21 April 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 19 January 2026, the provider notified us about matters relating to safeguarding and welfare. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any serious accident or injury.

On 14 April 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. They had not followed their own safeguarding policy and procedure to share the information with the local safeguarding partnership. We have issued an action for the provider to take. This is a legal notice that requires the provider to take the action below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed by 17 April 2026:

- ensure that you follow the local safeguarding partnership procedures and your own policies and procedures when there are safeguarding concerns about a child

We will monitor the provider's response to ensure the action is successfully completed. The provider is still registered with Ofsted.

On 20 April 2026, the provider responded to the action set. We found that the provider has improved staffs and their own knowledge and understanding of the safeguarding and

accident policy. We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
