

Complaint about childcare provision

Ref: 316467/6147282

Date: 2 October 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 26 August 2025, we received concerns that the provider was not meeting requirements relating to safeguarding policies and procedures, qualifications, training, support and skills, staff:child ratios and safety and suitability of premises, environment and equipment.

On 30 September 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and has taken action to put this right. The provider has carried out repairs to the property. This helps to keep children safe and well. The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
