

Compliance action taken for childcare provision

Ref: 317407/6109104

Date: 16 February 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 25 July 2025, 22 September 2025, and 19 January 2026 the provider notified us about matters relating to: safeguarding policies and procedures, safety and suitability of premises, environment and equipment, supporting and understanding children's behaviour and information and record keeping. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 30 January 2026, we conducted a telephone regulatory call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has improved staff's knowledge and understanding around risk assessment and supervision of children. All staff have received training to understand their role and responsibility to keep children safe. We are satisfied the provider has met the safeguarding and welfare actions raised.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be
