

Complaint about childcare provision

Ref: 319393/6273302

Date: 9 February 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 20 October 2025, the provider notified us about matters relating to training and skills. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 9 February 2025, we carried out a regulatory telephone call. We found the provider was not meeting one of the requirements and had taken action to put this right. Training staff and reviewing policies and procedures. This will help to ensure staff know what to do to keep children safe. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
