

Compliance action taken for childcare provision

Ref: 319735/6310112

Date: 4 March 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 8 January 2026, we received concerns that the provider was not meeting requirements relating to information and record keeping, suitable people and staff:child ratios

On 25 February 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. Actions needed by 13 March 2026:

• ensure children are always in sight of an adult and seated safely when eating.

We will monitor the provider's response to ensure the action is successfully completed.

On 21 March 2026, the provider responded to the action set. We found that the provider had reviewed their routines to ensure children would always be within sight while eating. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
