

Compliance action taken for childcare provision

Ref: 402130/6140470

Date: 3 November 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 30 August and 15 September 2025, the provider notified us about matters relating to concerns about children's safety and welfare. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of matters that may impact on the suitability of those caring for children.

On 21 October 2025, we carried out two regulatory telephone calls. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 5 November 2025: (include bullet points as shown in the example below:

- ensure that leaders, managers and all those with oversight of the setting have a clear understanding of what to do in the event that an allegation is made against themselves or a member of staff.

On 29 October 2025, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of child protection procedures and had made sure that leaders and managers understand how to manage allegations made against anyone working with children.

We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply

with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
