

Compliance action taken for childcare provision

Ref: 501898/5729613

Date: 29 May 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](https://www.gov.uk/government/publications/early-years-foundation-stage-framework-2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 07 May 2024, the provider notified us that a child had been unsupervised within the setting for up to 5 minutes. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which is likely to affect the suitability of any person who cares for/is in regular contact with children on the premises.

On 29 May 2024, we carried out a regulatory call. We found the provider has taken immediate and appropriate actions to ensure a similar incident does not happen again in future. For example, all staff have revisited the settings child supervision procedures and attended a training meeting. Additional work has also been completed around grouping of children and safety, when children are moving around the setting. We are satisfied with the actions taken by the provider.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
