

Compliance action taken for childcare provision

Ref: EY101522/6431192

Date: 27 July 2026

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 June 2026, the provider notified us about matters relating to training and skills, staff: child ratios, supporting and understanding child's behaviour and special educational needs. The notification means that the provider met their legal responsibility as set out in the 'Statutory framework for the early years foundation stage' to notify Ofsted of a significant event.

On 18 June 2026, we received a concern that the provider was not meeting some of the requirements relating to key person, information and recording keeping and staff: child ratios.

On 22 July 2026, we received a further concern that the provider was not meeting the requirement relating to sleeping arrangements.

On 22 July 2026, we carried out a regulatory telephone call. We found the provider was not meeting one of the requirements and had taken action to put this right. The provider has reviewed the deployment of staff. In addition, they have reviewed the outdoor environment and repositioned equipment. This means that children are within sight and hearing at all times and staff can keep children safe from harm.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
