

Compliance action taken for childcare provision

Ref: EY217738/5219592

Date: 9 November 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 29 July 2022, we received concerns that this provider was not meeting some of these requirements. On 7 September 2022 we carried out an inspection and found the provider was not meeting some of these requirements. The inspection report sets out the actions the provider is required to take to meet the requirements.

On 30 September 2022, we carried out a regulatory visit. The focus of the visit was to check whether the provider had met the safeguarding and welfare actions, raised at their last inspection. We found the provider had met the safeguarding and welfare actions. We found that the provider had developed their knowledge of the local safeguarding partner processes to follow in the event of an allegation. Staff have attended further training to develop their safeguarding knowledge which the provider checks on regularly. The provider understands the importance of a rigorous recruitment process and has made changes to ensure the suitability of staff. The provider has made arrangements to ensure that records are easily accessible at all times.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
