

Compliance action taken for childcare provision

Ref: EY224240/6073481

Date: 10 November 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 19 June 2025, the provider notified us about matters relating to concerns about children's safety and welfare, suitable people and supporting and understanding children's behaviour. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which is likely to affect the suitability of any person who cares for/is in regular contact with children on the premises.

On 30 September 2025, we carried out a regulatory visit and on 10 November 2025, we carried out a regulatory call. We found the provider was not meeting one of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 24 November 2025:

- ensure Ofsted are informed of changes to the committee members in a timely manner, so that the required suitability checks can be completed

On 8 December 2025, the provider confirmed that all committee members have now been notified to Ofsted for the suitability checks processes to commence. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
