

Compliance action taken for childcare provision

Ref: EY227187/5765052

Date: 14 August 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 26 June 2024, the provider notified us of an incident which happened in relation to the safety of a child. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which is likely to affect the suitability of the early years provider to look after children.

On 1 July 2024 and 9 July 2024, we carried out regulatory telephone calls to the provider. We found the provider was not meeting some of the requirements. We also found that the provider had failed to inform us of changes to the contact details for the setting.

We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 26 July 2024:

- strengthen further your risk assessments to ensure that all potential risks to children are identified and addressed to ensure that children are not exposed risk of harm
- train staff so that they fully understand their roles and responsibilities, with regards to keeping children safe and protecting them from harm

We are satisfied with the action taken.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
