

Compliance action taken for childcare provision

Ref: EY249281/5540491

Date: 15 October 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 20 September 2023, the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events relating to safety of children.

On 04 October 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Action needed by 13 October 2023

- gain a secure knowledge and understanding of safeguarding, particularly of when to report concerns to appropriate safeguarding agencies.
- implement the safeguarding policy and procedures, promptly report any concerns to agencies with statutory responsibilities for children's welfare.

On 11 October 2023, the provider responded to the actions set. We found the provider completed further training and improved their knowledge and understanding of safeguarding practice. The provider is now aware of when to report concerns to agencies with statutory responsibilities for safeguarding and to do so promptly. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered

with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
