

## **Compliance action taken for childcare provision**

Ref: EY255561/6209596

Date: 7 January 2026

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 22 October 2025, the provider notified us about matters relating to risk assessment, safety of premises, staff: child ratios and changes that must be notified to Ofsted. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage, to notify Ofsted of any significant event which is likely to affect the suitability of the early years provider to look after children.

On 6 January 2026, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. We found that they have put extra safety measures in place, such as a safety gate and cupboard locks in the children's bathroom. They have re-trained all staff on the settings risk assessments and staff have accessed training regarding appropriate storage of cleaning materials.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
