

Complaint about childcare provision

Ref: EY256758/6337412

Date: 16 April 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 9 March 2026, we received concerns that the provider was not meeting requirements relating to staff: child ratios and risk assessment.

On 16 April 2026, we carried out a regulatory telephone call. We found the provider was not meeting one of the requirements and had taken action to put this right. The childminder has reviewed the risk assessment to ensure the premises are made secure as soon as they return home from outings with the children. This means the children are unable to open the front door. The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.
