

Compliance action taken for childcare provision

Ref: EY260507/6065657

Date: 1 August 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 10 June 2025, we received concerns that the provider was not meeting requirements relating to suitable people, staff: child ratios, safeguarding policies and procedures and Food and Drink.

On 29 July 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put some of these right. Procedures for the supervision of children during sleep times has been strengthened and staff have received additional training. We have issued actions for the provider to take. This is a legal notice that requires the provider to take the actions below within the timescales set out. In addition we found that the provider had failed to notify Ofsted of a significant event, which is a requirement of their registration. The provider will be able to give parents further information about this.

Actions needed by 8 August 2025:

- implement robust procedures for the safe recruitment of staff and their ongoing suitability to work with children

We will monitor the provider's response to ensure the action is successfully completed. The provider is still registered with Ofsted

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.
