

Compliance action taken for childcare provision

Ref: EY266832/6248013

Date: 24 December 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 12 December 2025, we received concerns that the provider was not meeting requirements relating to safeguarding policies and procedures and other legal duties.

On 19 December 2025, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. Additionally, the provider had not notified us of a significant event within the specified timeframe. The provider will be able to give parents further information about this.

Actions needed by 16 January 2026:

- ensure leaders understand and follow the setting safeguarding policy, including what to do if an allegation was made against a member of staff.

On 12 January 2026, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of child protection procedures. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services

we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
