

Compliance action taken for childcare provision

Ref: EY271344/6348791

Date: 23 July 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 26 March 2026, the provider notified us about matters relating to suitable people and concerns about children's safety and welfare.

The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 7 July 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued the following action for the provider to take.

The provider will be able to give parents further information about this.

Action needed by 21 July 2026:

- provide Ofsted with information of all prospective committee members to enable suitability checks to be carried out and confirmed

We will monitor the provider's response to ensure the action is successfully completed. The provider is still registered with Ofsted.

On 16 July 2026, the provider responded to the action set. We found that the provider had taken appropriate action to ensure that committee members provide information to Ofsted for suitability checks to be carried out. We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
