

Compliance action taken for childcare provision

Ref: EY272267/5713001

Date: 13 June 2024

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 22 April 2024, the provider notified us of an incident where a child had been left alone inside the premises. The notification means that the provider has met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of a significant event. The provider will be able to give parents further information about this.

On 4 June 2024, we carried out an unannounced regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has ensured that staff accurately sign children in and out for each session. They undertake regular headcounts of children to ensure they know how many children are present. All staff have received in house training in relation to these procedures to ensure they are fully understood. Observations are made of staff practice to ensure these are consistently applied. Leaders also ensure that every area of the setting is checked at the end of each session, alongside a check of registers, to be certain all children have been collected. We are satisfied with the action taken. The provider remains registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
