

Compliance action taken for childcare provision

Ref: EY279807/6128831

Date: 9 January 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 3 August 2025, the provider notified us of an incident that occurred at the setting. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events. The notification raised concerns relating to accident or injury, staff:child ratios, safety of premises and risk assessment.

On 6 January 2026 we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put these right. Leaders and staff have reflected together and taken swift action on how to keep children safe. Leaders have provided support and coaching for all staff. They ensure staff carry out thorough risk assessments of the environment and of the use of natural play resources that children have access to. Staff are vigilant in the methods they use to supervise children closely. They help children learn about how to keep themselves safe during their play.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
