

Compliance action taken for childcare provision

Ref: EY280082/6234367

Date: 26 March 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 4 December 2025, the provider notified us about matters relating to staff: child ratios. The provider did not meet their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted within 14 days of any incident.

On 16 March 2026, we carried out a regulatory visit. We found the provider was not meeting a requirement and had taken action to put this right. The provider has reviewed staffing arrangements to ensure there is adequate staffing at all times. The provider has reviewed the process of reporting to Ofsted within the required timescale. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
