

## **Compliance action taken for childcare provision**

Ref: EY284189/6352444

Date: 28 May 2026

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage (EYFS), which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 1 April 2026, the provider notified us about matters relating to EYFS requirements, staff: child ratios and medicines. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant events.

On 14 April 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed by 22 May 2026:

- ensure staff deployment provides appropriate supervision of children
- ensure policies and procedures in relation to administering medication when there is a medical need to do so, is robustly followed.

On 26 May 2026 we carried out a Monitoring visit. We found that the provider had improved their procedures for the supervision and deployment of staff to ensure children are adequately supervised at all times. The provider has strengthened their administration of medicines policy to make clear when any non prescription medication will be administered. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the

enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
