

Compliance action taken for childcare provision

Ref: EY292282/6350505

Date: 15 June 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 1 May and 13 May 2026, the provider notified us about matters relating to safeguarding and welfare. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of concerns about children's safety and welfare.

On 12 June 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. All staff have received training regarding safeguarding and safe handling of children.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Risk assessments have been reviewed and updated. All staff have received training about how to safely use nappy changing tables that have built in steps. Management carry out regular checks to make sure staff are deployed appropriately and that they know how to use equipment correctly. This all helps to make sure that children are safe in the setting.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services

we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
