

Compliance action taken for childcare provision

Ref: EY295898/6094323

Date: 5 September 2025

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 9 July 2025, we received concerns that the provider was not meeting requirements relating to safety and suitability of premises, environment and equipment, staff: child ratios and key persons.

On 5 September 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 26 September 2025:

- ensure there are adequate supplies in toilet areas to support children's good hygiene
- take steps to ensure the effective use of risk assessments.

On 16 September 2025, the provider responded to the actions set. We found that the provider had undertaken a full review of procedures and made necessary amendments. Staff have also undergone training to ensure they fully understand the expectations around good hygiene and risk assessment.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
