

Complaint about childcare provision

Ref: EY296432/5374689

Date: 16 February 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 February 2023, we received concerns that the provider was not meeting some of these requirements.

On 16 February 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements but was taking action to put this right. This is because the provider is reviewing the requirements relating to ratios and the exceptions which can be applied to these, to ensure that this information is used to risk assess outings effectively, and meet children's needs at all times.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
