

Complaint about childcare provision

Ref: EY307024/5970971

Date: 12 March 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundationstage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 27 February 2025, we received concerns that the provider was not meeting requirements relating to safety and suitability of premises, environment and equipment, suitable people and staff child ratios.

On 12 March 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 26 March 2025

- ensure necessary items to support children's toilet training and independence are available, such as toilet tissue within easy reach.

The provider responded to the action appropriately.
