

Complaint about childcare provision

Ref: EY311760/5358281

Date: 10 February 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 24 January 2023, we received concerns that the provider was not meeting some of these requirements.

On 31 January 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

We will monitor the provider's response to ensure the actions are successfully completed.

On 27 February 2023, the provider responded to the actions set. We found that the provider has improved their knowledge and understanding of child protection policy, supervision, accident or injury, managing behaviour and changes that must be notified to Ofsted, she now fully understands her responsibilities.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.
