

Compliance action taken for childcare provision

Ref: EY314653/6224846

Date: 25 July 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 25 November 2025, the provider notified us about matters relating to concerns about safeguarding policies and procedures and supporting and understanding children's behaviour. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 22 July 2026, we carried out an unannounced regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider ensured all staff revisited the setting's whistleblowing policy and procedures to strengthen their understanding of how to report concerns about the conduct or practice of colleagues.

Staff have also completed training to refresh their knowledge and understanding of how to support and understand children's behaviour. This reinforces leader's expectations for practice and helps staff maintain a secure understanding of how to safeguard children and follow the setting's policies and procedures at all times.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
