

## **Compliance action taken for childcare provision**

Ref: EY316345/5999712

Date: 1 May 2025

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 28 March 2025, the provider notified us about an incident relating to the EYFS requirements 3.4 and 3.6 - safeguarding policies and procedures, 3.7 - concerns about children's safety and welfare and 3.9 - suitable people. However, the notification was not made in the required timescales, which means that the provider did not meet their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event within 14 days. The provider now knows to do this in the future.

On 1 May 2025, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has reviewed how they manage allegations and updated the safeguarding policy to include the timescales for liaising with the Local Authority Designated Officer and for informing Ofsted. This means safeguarding procedures are now effective in keeping children safe. The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-](http://www.gov.uk/government/publications/early-years-provider-non-compliance-)
