

Compliance action taken for childcare provision

Ref: EY316871/4966281

Date: 17 December 2021

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2.

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 22 November 2021, we received concerns that this provider was not meeting some of these requirements.

On 09 December 2021, we found the provider had failed to notify us of a significant event that happened in November 2021. This means that the provider did not meet their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which could affect the suitability of the early years provider or any person who cares for or is in regular contact with children.

On 09 December 2021, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has reviewed their processes relating to children's safety and supervision. The provider has made adjustments to improve the security of the building to reduce the risk of children leaving the setting unattended.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
