

Complaint about childcare provision

Ref: EY338321/6351848

Date: 14 May 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 April 2026, we received concerns that the provider was not meeting requirements relating to suitable people and safeguarding policies and procedures.

On 30 April 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 22 May 2026:

- ensure children's daily registers always include information about their hours of attendance.

We will monitor the provider's response to ensure the action is successfully completed. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
