

Complaint about childcare provision

Ref: EY340931/6034620

Date: 19 June 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 8 May 2025, we received concerns that the provider was not meeting requirements relating to staff:child ratios and safety and suitability of premises, environment and equipment.

On 19 June 2025, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. They have made repairs to a door guard and revisited risk assessment procedures with staff in relation to the safe opening and closing of internal doors. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
