

## **Compliance action taken for childcare provision**

Ref: EY343942/6387498

Date: 16 June 2026

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 21 May 2026, we received concerns that the provider was not meeting requirements relating to safeguarding policies and procedures, training and skills, staff: child ratios, safety and suitability of premises, environment and equipment and information and record keeping. On 8 May 2026, the provider notified us about matters relating to the same requirements.

On 11 June 2026, we carried out a regulatory visit. We found the provider was not meeting one requirement. We issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 10 July 2026:

- demonstrate that you comply with fire safety legislation.

On 9 July 2026, the provider responded to the action set. We found that the provider had demonstrated through a fire risk assessment that they are complying with fire safety legislation.

We are satisfied the provider has met the safeguarding and welfare action raised.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
