

Compliance action taken for childcare provision

Ref: EY348921/5863212

Date: 29 November 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 28 October 2024, the provider notified us about Safeguarding. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 28 November 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued action for the provider to take. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 16 December 2024

- implement effective arrangements for the supervision of staff to ensure they receive coaching and mutual support to improve their personal effectiveness.

On 02 December 2024, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of supervision. The information gathered suggests that the provider is now meeting the requirements of their registration.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
