

Compliance action taken for childcare provision

Ref: EY359476/6120658

Date: 25 September 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundationstage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 11 August 2025, we received information that the provider was not meeting requirements relating to notifying Ofsted of changes.

On 24 September 2025, we carried out a regulatory telephone call. We found the provider was not meeting this requirement. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

On 29 September 2025, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of information that must be notified to Ofsted. The information gathered suggests that the provider is now meeting the requirements of their registration. The provider is still registered with Ofsted.

Actions needed by 15 October 2025:

- improve knowledge and understanding of what information and changes need to be notified to Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
