

Compliance action taken for childcare provision

Ref: EY359834/6356839

Date: 23 June 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 8 April 2026, the provider notified us of an incident that occurred at the setting. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events. The notification raised concerns relating to staff:child ratios, suitable people, qualifications, training, support and skills, training and skills, supervision of staff, risk assessment and changes that must be notified.

On 22 June 2026 we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. Leaders and staff have completed some reflection time to assure children's safety and welfare. They have taken swift action on coaching and supporting staff to help them to understand how to always supervise children. Staff now ensure head counts of children are completed effectively and consistently as they move between areas of the nursery such as for outdoor play and lunch times.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our

responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
