

Compliance action taken for childcare provision

Ref: EY370711/6393869

Date: 5 June 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 May 2026, we received concerns that the provider was not meeting requirements relating to concerns about children's safety and welfare, suitable people, training and skills, supporting and understanding children's behaviour, risk assessment, safety of premises, staff: child ratios, staff: child ratios and risk assessment.

On 14 May 2026, we found that the provider had failed to notify Ofsted of a significant event, which is a requirement of their registration.

On 14 May 2026, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take.

The provider will be able to give parents further information about this.

Actions needed by 29 May 2026:

- ensure children are well supervised at all times, to ensure their safety
- ensure that effective risk assessments are in place that identify all potential risks, including those linked to supervision of children and the security of the setting, and take appropriate steps to minimise these.

On 27 May 2026, the provider responded to the actions set. We found that the provider has implemented additional measures to reduce the risk of children being able to leave the setting unsupervised. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the

enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
