

Complaint about childcare provision

Ref: EY374292/5160149

Date: 31 May 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 24 May 2022 we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right.

We found the provider fully understands their responsibility to notify Ofsted of any persons caring for children on the premises where childminding is provided. Additionally we found the provider fully understands her responsibility to ensure that people looking after children are suitable to fulfil the requirements of their roles.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.
