

Compliance action taken for childcare provision

Ref: EY379297/5835421

Date: 30 September 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 23 September 2024, the provider notified us about a matter relating to safeguarding policies and procedures. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which is likely to affect the suitability of the childminder to look after children.

On 24 September 2024, we carried out a regulatory telephone call. We found that the provider was not meeting one of the requirements. We have issued an action for the provider to take.

Action needed by 22 October 2024:

- develop a robust understanding of safeguarding procedures in line with local safeguarding partnership arrangements.

The provider has since confirmed that she has developed her knowledge of safeguarding procedures which has included attending relevant training.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
